Subrajit Mohanty (Founder)

Subrajit Mohanty, the visionary behind AKS HELP ORGANIZATION, established this initiative with a deep commitment to social welfare and community development. Inspired by the struggles faced by marginalized communities, they embarked on a journey to create impactful change through education, healthcare, environmental conservation, and empowerment programs.

With a passion for service and a dedication to uplifting lives, the founder believes in fostering a society where compassion, inclusion, and opportunities for all drive progress. Under their leadership, AKS HELP ORGANIZATION continues to grow, touching countless lives and building a brighter future.

AKS HELP ORGANIZATION

Our Mission

AKS HELP ORGANIZATION is dedicated to creating a better society through impactful initiatives that address education, health, environmental conservation, social welfare, and community empowerment. We believe in fostering a world where every individual, regardless of their background, has access to opportunities for growth and well-being.

Through our various programs, we aim to eradicate social inequalities, provide essential resources, and create a sustainable future. Our mission is to inspire collective action, nurture compassionate communities, and make a lasting difference in the lives of those who need it most.

AKS HELP ORGANIZATION

Our Vision

Our vision is to build a just, inclusive, and self-sufficient society where every individual has the opportunity to thrive. We strive to create a future where education is accessible to all, healthcare is a fundamental right, the environment is preserved, and social welfare initiatives uplift marginalized communities. Through innovative solutions, strategic partnerships, and grassroots efforts, we envision a world where humanity stands together to drive positive change and ensure dignity, empowerment, and equality for all.

Blood Donation Initiative

To support those in medical emergencies, we organize blood donation camps where volunteers come forward to donate blood. This life-saving initiative ensures that hospitals and patients in need have access to a steady supply of blood.

Education for All

We believe that education is the key to breaking the cycle of poverty. Through this initiative, we provide free education, skill development, and academic support to underprivileged children, ensuring they have the opportunity to build a brighter and self-sufficient future.

Birthday Celebration Initiative

We celebrate birthdays with underprivileged children, the elderly, and those in need by organizing cake cutting, food distribution, and gift-giving, creating joyful and memorable moments.

Health is Wealth

Health is a fundamental right, and through this program, we conduct free health check-up camps, provide medical aid, and run awareness campaigns. Our goal is to promote preventive healthcare and ensure that marginalized communities receive the medical attention they deserve.

Elderly Welfare Program

Senior citizens often face neglect and loneliness. Our elderly welfare program provides emotional support, healthcare assistance, and shelter support to the aged, helping them live with dignity and comfort.

Animal Welfare Initiative

Animals, especially strays, deserve care and protection. Through this initiative, we provide food, rescue animals in need, offer medical treatment, and promote awareness about animal rights and welfare.

Clothing Donation Drive

Clothing is a basic necessity, yet many underprivileged people lack proper attire. We collect and distribute clothes to the needy, ensuring they have adequate protection and dignity.

Women's Safety & Empowerment

Women's empowerment is a crucial step toward societal progress. We conduct self-defense training programs, legal awareness workshops, and vocational training to equip women with the knowledge and skills needed to lead independent and secure lives.

SOCIAL AWARENESS CAMPAIGNS

AKS HELP ORGANIZATION

At AKS HELP ORGANIZATION, we are committed to making a tangible difference in society through various impactful initiatives. Our work spans across education, healthcare, environmental conservation, social welfare, and community development. By organizing educational programs for underprivileged children, conducting health camps, planting trees, supporting the needy with food and clothing, and empowering women and the elderly, we strive to create a more equitable and sustainable world. Every initiative we undertake is driven by a deep sense of responsibility and compassion, ensuring that our efforts lead to long-term positive change in the communities we serve.
